Denver Personal Injury Law Firm

Colorado Social Security Disability Insurance Attorneys

At The Sawaya Law Firm in Colorado, our attorneys and staff take great pride in helping injured people recover not only from their injuries, but also recover their lives.

The moment you come to visit us in the historic Bailey Mansion in Denver, we will help you with your case from every angle medical, personal, financial and vocational so that you can focus on recovering the life and lifestyle you had before you were injured.

At The Sawaya Law Firm, our attorneys have helped thousands of injured people throughout northeastern Colorado and the Rocky Mountains. We operate based on 12 core values and call our law firm's history a heritage of justice.

Our Heritage of Justice

We work to ensure that injured people receive the medical care and financial compensation they need and deserve. If you have suffered an injury, if you are disabled and cannot work, or if a family member has died in an accident because of someone else's negligence, we want to hear your story. Contact us today online or at 303-502-5010 to discuss your legal claims with one of our Denver personal injury attorneys or Greeley accident lawyers.
