Go Green this Halloween...

Posted on [October 22, 2009](#) by [earthfare](#)

No time to make the costume? No time to carve that pumpkin? But still want to feel festive and earth friendly this Halloween? No worries...here is a 10 minute "GREEN" craft that you can easily do with your young goblin or ghost!

Introduce: The "GREEN" TREAT collector!

Find a bucket (that your child will be able to carry). Find some old glue, glitter, felt, tape and sequins (anything you have lying in that junk drawer)...watch this short video and then get started!
